

ISTS partners with Ascendium Education Solutions® - provider of the Attigo® suite - to offer clients two opportunities to help program participants boost their financial, academic and life skills: **Student Success Curriculum** and **Student Loan Counseling**.

Comprehensive Online Student Success Curriculum

Improve Student Persistence and Completion

GradReady® is a cost-effective, turn-key solution presenting the topics students need in order to improve persistence and completion. Through videos and interactive tools, students are empowered to achieve academic excellence, borrow responsibly, and develop life management skills to successfully navigate college.

Students learn **online**, participating in lessons when their schedules permit.

Videos and **interactive** tools engage students in the materials and encourage reuse.

An **organized** and **incremental** approach provides students the right lesson at the right time.

With New Knowledge and Key Resources Students Can:

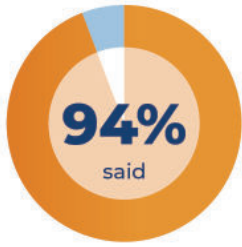

- ✓ Make informed decisions about paying for college
- ✓ Develop academic and life management skills
- ✓ Successfully navigate student loan repayment

GradReady Highlights:

- ✓ Customize the curriculum, introduce your unique resources
- ✓ Subject matter experts deliver insight and resources
- ✓ Quizzes measure improvement in knowledge and behavior
